Agenda item 1: Review of the Implementation of NEP 2020 Initiatives:

- The committee reviewed the progress of NEP 2020 implementation across various departments. The discussion highlighted successful initiatives such as the introduction of multidisciplinary courses and the promotion of holistic education. However, it was noted that further efforts are needed to align the curriculum with NEP 2020 guidelines fully.

Agenda item 2: Integration of Emerging Technologies in Teaching-Learning Process:

- Discussed the adoption of emerging technologies like AI, VR, and AR in enhancing the teaching-learning experience. The CSE department presented their roadmap for integrating these technologies, focusing on training faculty and upgrading digital infrastructure.

Agenda 3: Strategies for Enhancing Community Engagement and Social Responsibility:

- The committee proposed several initiatives to strengthen the university's engagement with the local community, including organizing outreach programs, workshops, and collaborative projects with local organizations. The focus was on promoting social responsibility among students and faculty.

Agenda 4: Development of a Roadmap for Achieving Global Recognition through International Collaborations:

- The meeting emphasized the need for increased international collaborations to enhance the university's global presence. The committee discussed potential partnerships with foreign universities and research institutions, including student and faculty exchange programs.

Agenda 5: Analysis of Faculty and Student Feedback on Recent Curriculum Changes:

- Feedback from faculty and students regarding recent curriculum changes was analyzed. While the majority responded positively, some concerns were raised about the pace of changes and the need for additional resources. It was decided to address these concerns in the next academic year.

Agenda 6: Strategies to Increase the Visibility of University Research in Global Databases:

- The committee discussed methods to enhance the visibility of the university's research output. Strategies included encouraging publications in high-impact journals,

increasing the use of open-access platforms, and improving research reporting mechanisms.
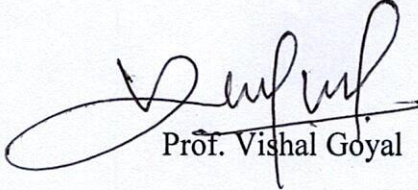

Agenda 7: Review of Ongoing Initiatives for Improving Campus Infrastructure:

- A review of ongoing infrastructure projects was conducted, including the construction of new buildings, renovation of existing facilities, and upgrading IT infrastructure. The committee emphasized the need to ensure that all projects are completed on time and within budget.

Agenda 8: Any Other Item with the Permission of the Chair:

- No additional items were discussed.

The meeting ended with the vote of thanks to the chair
